To better prepare our students for 2023, there will be an academic programme for current Secondary 1 – 3 students.

##### **Bridging Programme (for Secondary 1 NA, NT, 2 NA & Secondary 3 Exp students)**

Secondary 1 and 2 students eligible to offer subjects at a more demanding level (Languages, Mathematics, Science, Humanities) at Secondary 2 and 3 respectively in 2023 will be required to attend a bridging programme. The programme focuses on teaching concepts and topics that were not covered in the previous syllabuses so that they can transit to Secondary 2 or 3 smoothly.

The Bridging Programme for all Secondary 3 Express students will focus on revising topics that students require additional support, as well as introducing students to some topics in the Secondary 4 syllabus. Please ensure that your child/ward attends all the lessons.

#### Remediation Programme (for Secondary 1 – 3 students)

Selected students who have not performed up to expectations in the End-of-Year Examinations will be required to attend a remediation programme. The programme will focus on revising knowledge and skills that students require additional support.

The remediation and bridging programme schedules, where applicable, will be given to students nearer the start date of the programme. Please help to ensure that your child/ward attends the programme.

Secondary 1 – 3 students currently attending remedials will continue to do so from the start of Term 4 Week 1 till the End-of-Year Examinations to ensure they receive the necessary academic support. Students are also encouraged to arrange for consultations with their teachers if they need help.

### **Key Events & Activities**

#### **3. Graduation Day Ceremony (Friday, 30 September 2022)**

The ceremony serves to mark a key milestone in the life of our graduating students as the school wishes them well in their endeavours beyond the national examinations. With the easing of safe management measures, we are pleased to invite parents for the ceremony this year. The ceremony will be held in the morning at the school hall. An invitation will be sent separately via Parent Gateway. As there will be a buffet reception at the end of the ceremony, we seek your help to respond to the invitation by **Thursday, 15 September 2022** in order for the school to make any necessary arrangement. We look forward to having you celebrate this special day together with your child/ward.
